Update on the Library

The Fairchild Research Information Center is still in business and open! Things aren't where they usually were but, we will help you find what you need. Our most frequently used books are identified as **Fairchild Core** in the online catalog and will be located in the library. If the item says **Fairchild Storage at Gunter**, the item is at our Gunter location and we can retrieve it for

you. We have in the works a plan to open the Gunter facility four afternoons a week for browsing and check outs.

The bound periodical collection is under wraps—literally and is not available for use. Hopefully what you need is online or can be obtained through Interlibrary Loan (which has moved to room 160, in the main hallway).

The bibliographers / school

librarians are in trailer #3, the one closest to the AWC building. Don't hesitate to ask if you have any questions!
