Turn the Ship Around!

From the vantage point of the commander of the USS Santa Fe, read how the crew completely turned the ship around, going from worst to first by questioning many of our basic leadership assumptions and shifting from take-control authority to give-control empowerment. Share

the author's insights as the crew gains unprecedented decision making authority, the risks of doing so, and the reward of an exponentially more effective and resilient organization. Build teamwork and minimize error with "deliberate action". ~ Provided by publisher
