### ***HANDOUT 5.4: FINAL EXAM***

**Instructions:** This examination will test how much you have learned during the *Decision Making in a Crisis* workshop. You will have 30 minutes to complete the examination.

1. Read each question carefully. Scenarios will precede some of the questions.
2. Select the best answer that you believe is correct.

#### **Scenario 1: Rothville Bomb Threat**

The fire chief of Rothville received a call from a concerned parent, who is also a newspaper reporter, about a bomb threat at the middle school. Her children told her about a bomb threat at school that day. The school did not evacuate the building, and, apparently, this has happened several times before. The parent had called school officials, and they referred her to the fire department. After making some phone calls, the fire chief learned that it is the school district's policy to evacuate the schools for **all** bomb threats.
