U.S. NATIONAL SECURITY AND STRATEGY:

A BIBLIOGRAPHY

COMPILED BY JANE E. GIBISH

Please Note: In its directive for Course 2 entitled "War, National Policy & Strategy," the Department of National Security and Strategy (DNSS) lists seven elements in the strategy formulation guidelines. They are National Values, National Interests, Strategic Appraisal, National Policy, National Strategy, Military Strategy, and Risk Assessment. These guidelines formed the parameters for the development of the following bibliography.

The bibliography is divided into three main parts: Books and Documents, Periodical Articles, and Selected Internet Sites.
