

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL SCOTT M. LOCKWOOD

Colonel Scott M Lockwood is currently serving as the Commandant, United States Air Force Officer Training School, Maxwell Air Force Base, Ala. The Officer Training School commissions and trains approximately 3,000 total force officers annually for the U.S. Air Force, Air Force Reserve and Air National Guard through Total Force Officer Training programs. It also provides initial officership training for newly commissioned health professionals, staff judge advocates, and chaplains through its Commissioned Officer Training program. Officer Training School consists of four squadrons, a \$75 million world-class campus and numerous field training sites. As commandant, Col. Lockwood commands active duty Air Force, Reserve and Air National Guard members in leading the Air Force's largest commissioning source to produce leaders of moral character within Air University.

Prior to attending the U.S. Army War College, where he earned a Masters in Strategic Studies, Col. Lockwood's most recent assignment was Air National Guard Advisor to the commander, U.S. Strategic Command, Offutt Air Force Base, Neb. He was responsible for ensuring nuclear deterrent, space and cyberspace Air National Guard forces were integrated into the combatant commands' posture, plans and operations to provide full spectrum global operations.

Prior assignments include chief of rated management for the Air National Guard, five years in the joint/combined environment at North American Aerospace Defense Command and U.S. Northern Command working Domestic Operations in Homeland Defense and Defense Support of Civil Authorities in the J3 Directorate and in the command staff.

Colonel Lockwood earned his bachelor's degree from Chapman University and received his commission through Officer Training School. He attended undergraduate pilot training at Williams AFB, Ariz. He has been a T-37 instructor and an A-10 attack pilot. His flying qualifications include the MQ-1 Predator as well as the B-767 as a pilot instructor for United Airlines. He also qualified as a missile warning crew commander on Defense Support Program Early Warning Satellites in Space Command.
